

HICKORY ROTARY CLUB

Program of Work 2009-2010

**Your Survival Kit to
“Make Dreams Real” for
Our Club, Community, District
World**

The Four-Way Test

Of the Things We Think, Say, or Do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

**As a Rotarian engaged in business or profession,
I am expected to:**

- Consider my vocation to be another opportunity to serve;
- Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
- Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
- Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
- Recognize the honor and respect due to all occupations which are useful to society;
- Offer my vocational talents to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
- Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;
- Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

A Brief History of the Hickory Rotary Club

The Rotary Club of Hickory, NC, was chartered in 1921 as the first service club in Catawba County. Mr. Watt Shuford, a member of one of Hickory's pioneer families, began the club and was elected its first president.

Shuford became interested in Rotary after attending a meeting in Asheville. Ten members of the Asheville club, the oldest club in the district, were present at Hickory's organizational meeting on Friday, February 11, 1921, at Hotel Huffry.

Eighteen charter members founded the club, and from the simple start, it has grown to include about 180 members and is now recognized as the largest club in the district. The Hickory Rotary Club has compiled a storied history of service to the community and the world.

During its first December, the club donated 28 baskets to the needy, and the tradition of helping others has been continued over the past 88 years through a multitude of projects locally and globally. The Hickory Rotary Club has contributed more than \$360,000 to the Rotary Foundation, engaged in various international projects, and sponsored seven other clubs, including local Interact and Rotaract youth clubs. The club proudly provides educational loans, grants and scholarships to local students, schools, and educators.

Hickory Rotary Servivor Rules (Outserve, Outgive, Outlast)

Our club has again been divided into 10 teams. Each team will be given the opportunity to earn points by participating in club and district fundraisers, service projects and fellowship events. The team and the individual with the most points at the end of the 2009-2010 Rotary year wins and earns the title of Hickory Rotary Servivor.

- Each team is lead by a Rotary Board member.
- The Board member will be responsible for coordinating the communications from the Hickory Rotary Servivor committee to his/her team.
- Points must be reported to the committee within two weeks of event/project (no exceptions). Please send to jill_patton@charter.net
- Club committee meetings – whether held after regular lunch meetings or at a different time and location - will utilize a sign-in sheet. The committee chair will be responsible for reporting meeting attendance to HRS committee.
- Fellowship events (except at District level) will utilize a sign-in sheet. Fellowship event chair will be responsible for reporting attendance to HRS committee, again send this info to jill_patton@charter.net
- Service project participation and hours worked will be reported by individual club member to their team captain. These points will be awarded on the *honor system* (Is it the truth?).
- Team points will be announced on a regular basis in our meetings
- Any dispute regarding point totals must be submitted to the Hickory Rotary Servivor committee for arbitration. Committee decisions are *final*.
- During Club Assemblies, teams will have the opportunity to sit together and strategize
- A title of Hickory Rotary Servivor will be bestowed upon the team, as well as the individual Rotarian, with the most points at the end of the 2009-2010 year in June.
- Team and individual prizes will be announced.

Please note that this competition is designed to enhance our fellowship and interactions with each other in this club. In other words, it is meant to be *fun*. Good sportsmanship, as exemplified by the Four-way Test, is to be practiced *at all times*.

Rotary History: A Brief History

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on February 23, 1905 by Paul P. Harris, an attorney who wished to recapture in a professional club the same friendly spirit he had felt in the small towns of his youth. The name "Rotary" derived from the early practice of rotating meetings among members' offices.

Rotary's popularity spread throughout the United States in the decade that followed; clubs were chartered from San Francisco to New York. By 1921, Rotary clubs had been formed on 6 continents, and the organization adopted the name Rotary International a year later.

As Rotary grew, its mission expanded beyond serving the professional and social interests of club members. Rotarians began pooling their resources and contributing their talents to help serve communities in need. The organization's dedication to this ideal is best expressed in its principal motto: Service Above Self. Rotary also later embraced a code of ethics, called The 4-Way Test, that has been translated into hundreds of languages.

During and after World War II, Rotarians became increasingly involved in promoting international understanding. In 1945, 49 Rotary members served in 29 delegations to the United Nations Charter Conference. Rotary still actively participates in UN conferences by sending observers to major meetings and promoting the United Nations in Rotary publications. Rotary International's relationship with the United Nations Educational, Scientific, and Cultural Organization (UNESCO) dates back to a 1943 London Rotary conference that promoted international, cultural, and education exchanges. Attended by ministers of education and observers from around the world and chaired by past presidents of R.I., the conference was an impetus to the establishment of UNESCO in 1946.

An endowment fund, set up by Rotarians in 1917 “for doing good in the world,” became a not-for-profit corporation known as The Rotary Foundation in 1928. Upon the death of Paul Harris in 1947, an outpouring of Rotarian donations made in his honor, totaling US\$2 million, launched the Foundation’s first program – graduate fellowships, now called Ambassadorial Scholarships. Today, contributions to The Rotary Foundation total more than US\$80 million annually and support a wide range of humanitarian grants and educational programs that enable Rotarians to bring hope and promote international understanding throughout the world.

In 1985, Rotary made a historic commitment to immunize all of the world’s children against polio. Working in partnership with nongovernmental organizations and national governments through its PolioPlus program, Rotary is the largest private-sector contributor to the global polio eradication campaign. Rotarians have mobilized hundreds of thousands of PolioPlus volunteers and have immunized more than one billion children worldwide. By the 2005 target date for certification of a polio-free world, Rotary will have contributed half a billion dollars to the cause.

As it approached the dawn of the 21st century, Rotary worked to meet the changing needs of society, expanding its service effort to address such pressing issues as environmental degradation, illiteracy, world hunger, and children at risk. The organization admitted women for the first time (worldwide) in 1989 and claims more than 145,000 women in its ranks today. Following the collapse of the Berlin Wall and the dissolution of the Soviet Union, Rotary clubs were formed or re-established throughout Central and Eastern Europe. Today 1.2 million Rotarians belong to some 31,000 Rotary clubs in 166 countries.

Rotary in North Carolina

North Carolina's first club was formed in Raleigh on August 1, 1914, becoming the 124th club in the world. The Wilmington club, the state's second, was organized on April 1, 1915, making it Rotary International's 150th club. Nearly all North Carolina clubs are descendants of the Raleigh, Wilmington, or Richmond (VA) clubs.

Rotary began organizing into districts (first called "divisions") in 1912. Each division was governed by a "Representative." The title of "District Governor" began in 1926. North Carolina's earliest clubs, (1915-18) were in District 4, which included the southeastern part of the USA south of Washington, DC and Maryland. In 1918, the Rotary clubs of North Carolina, South Carolina, and Virginia were regrouped together to form District 7.

The districts in North Carolina have been renumbered many times since 1922. Today there are six North Carolina districts. The Hickory Rotary is in the western-most district of the state, district 7670.
